

Getting Organised

Decide what services you require? Packing, house moving, dismantling reassembling.	
Carefully read your quotation.	
Accepting the quotation. Phone the office on 07369 292 816. We can then book your moving date.	
Complete and return your moving acceptance to confirm your booking.	

Preparing for Moving Day

Use your move as an opportunity to have a clear out. Anything you do not require going in the move is best to clear away before moving day.	
Label any boxes you pack. This makes it easier to identify them on delivery to your new home.	
Plan where you would like your furniture to be positioned in your new home. This saves time on the day and ensures everything is positioned correctly in each room.	
Clearly label your essential items and put them in the boot of the car before we arrive.	
If you've agreed to take down curtains or dismantle furniture. Do this before we arrive.	
Disconnect any appliances before our arrival so they are ready to be moved. If you need help with this, please speak to Kieran 07369 292 816.	
Get loft items down in advance of the move so that they are easily accessible.	
If we need parking permits or access to a lift, ensure you do this well in advance to save any issues on moving day.	
If other tradesmen are on site, make sure we have full uninterrupted access to safely deliver your furniture.	
Confirm with your solicitor and estate agent what time keys will be available on moving day.	

Moving Day

Ensure all smaller items are safely packed into boxes and labelled.	
Our moving team will introduce themselves and safely set up the vehicle ready to begin your move.	
We normally protect your current property with flooring, carpet door and banister protection.	
The Grand Tour: If you could kindly show our moving team around to reconfirm what you require moving.	
Be on hand in case we have any questions.	
When we have loaded, do a final check to ensure nothing has been left behind. This is your responsibility so double check. Lofts, understairs, sheds and cellars are common places that can be missed.	
Key Collection – reconfirm collection details with solicitor and estate agent to ensure keys will be available when stated. We have a £25.00 per hour waiting time charge if there is a delay. If you foresee any key issues, please speak with Kieran on 07369 292 816.	
It seems obvious but please arrive at your new home in good time once you receive the keys.	
Everything is delivered into the correct room and position. Please be on hand if we have any questions.	
Final checks. When our vehicle is empty and everything is delivered, we do a final tour to ensure everything is where it should be.	

After Your Move

When unpacking your boxes ensure you check nothing has been left behind. It is common for small items wrapped in paper to be left in the bottom.	
Any useful materials we will collect out of your way.	
Flatten boxes and crush wrapping paper into open boxes ready for collection.	
If you are happy with your move, we would really appreciate if you could leave us a Google review: https://g.page/r/CVJhUfaXI7vJEAo/review
